

## On the Subject of Reading Between the Lines

*Your eyes deceive you;  
An illusion fools you all;  
I'm cloaked in plain sight.*

- The screen will have twenty four seemingly random letters colored white.
- The letters shown are all part of four words, each six letters long that can be found in the table below.

Wyvern	Galaxy	Sulfer	Voodoo	Vacant
Ravage	Dharma	Uganda	Hijack	Hazard
Snazzy	Scheme	Coccyx	Gemini	Vacuum
Beyond	Empire	Twelve	Volume	Luxury
Tainte	Dlostt	Imehel	Lyaaaa	Gexish

- Find the words and color the letters such that each word is painted a different color.
- Restrictions of letters are as follows:
  - There is at least one word split in six groups of one letter.
  - There is at least one word split in three groups of two letters.
  - There is at least one word split in two groups of three letters.
  - No groups belonging to the same word can generate next to each other.
